2018  
Hefei, China

2018 International Conference on Smart City and Intelligent Building (ICSCIB 2018) will be held in Hefei, China, on September 15-16, 2018, it provides an international forum for professionals, academics, and researchers over the world to present latest developments from interdisciplinary theoretical studies, computational algorithm developments and engineering applications in smart cities and intelligent buildings. The conference will invite leaders from industry and academia to exchange and share their experiences, present research results, explore collaborations and to spark new ideas, with the aim of developing new projects and exploiting new technology in these fields, and bridge theoretical studies and practical applications in all science and engineering branches. ICSCIB 2018 will be organized by the Anhui Jianzhu University (AHJZU), Hefei, China, sponsored by the University of the West of England (UWE), Bristol, UK, the Shenyang Jianzhu University (SJZU), Shenyang, China, Springer International Publishing AG (Springer) and Inderscience Publishers (Inderscience), and supported by the National High Education Steering Committee of Electrical and Intelligent Buildings in China (SCEIB). The potential topics of the conference include, but not limited to:

### Smart Cities:

- Smart Traffic and Transportation
- Smart Energy Storage and Usage
- Emergency Management Systems
- Healthcare/Service/Administrative/Public Sector services
- Smart Communities and Smart Campuses
- Big Data and Cloud Computing in Smart Cities
- Smart Utility Management Systems
- ICT based Smart Services
- Underground Pipeline and Space Integrated Management
- Smart Infrastructure

### Intelligent Buildings:

- Building Comfort and Energy Saving
- Building Management Platform Technology
- Assembly of Buildings
- Building Information Modeling
- Building Management Systems
- Building Automation Systems & HVAC
- IoT in Smart Home
- Lighting, Fire and Safety Control Systems
- Intelligent and Smart Home Devices

### Submission & Publication

Please prepare your paper using the template provided in Word/PDF format. All manuscripts will be reviewed by at least two members of the International Program Committee. Instructions for preparation and electronic submission will be available on the website of ICSCIB 2018. The papers accepted and presented on the conference will be included in the ICSCIB 2018 Conference Proceedings published by Springer and will be submitted for inclusion EI Compendex (CA). The selected best and outstanding papers will be recommended for publication on related EI-indexed (JA) journals after further extension.
